**PST**

- General PE Course

**Advanced PST**

- More intense PE Course
  - Designed for students who are planning to play a high school sport in 9th grade.

*1 year of some high school sports counts as .5 credit and can be used instead of PST. Fitness for Life in 10th grade cannot be substituted for a sport. Your coach must have worked with the high school for that sport to count for credit.*

1. During Arena Scheduling, identify which period and semester you would like to be an aide.

2. Keep that spot blank in your schedule.

3. Ask your preferred teacher if you can aide for them during that time.

4. Your teacher will approve it and your counselor will add it in.

5. If it does not get approved, add another Elective into your schedule.

*Good attendance required*
Since auditions for Dance will be held after registration, you will not be able to register for Dance classes during Arena Scheduling. We want to ensure you can still get the classes you want, without changing your entire schedule around. Once we get the list of students from the teacher to add to the assigned Dance class, we will make the change.

**Dance Co** will be taught 4th period. If you think it's likely that you'll make the roster, we recommend putting your PE and an Art class in 4th period when you register.

**Pre-Dance Co** will be taught 7th period and the same logic applies. In either case, it may be best to register for a morning POD rotation.

RECOMMENDED HIGH SCHOOL SPORT SCHEDULE

To best accommodate high school's block schedule, we recommend scheduling your POD classes so you aren't missing class time. Follow the pathway that best fits which science and geography classes you want. Depending on the sport and the semester, you will likely be required to drop 2 periods at FHMS and take classes at the high school, if they have seats available in those classes. Biology is offered there and is an easy switch, as well as Seminary/Released Time. We are able to drop your 6th and 7th periods at FHMS and try enrolling you in classes at the high school. You will miss part of your 4th period every other week on Thursdays.
