STUDENT AIDE

*Must have teacher approval

1. During Arena Scheduling, identify which period and semester you would like to be an aide.
2. Keep that spot blank in your schedule.
3. Ask your preferred teacher if you can aide for them during that time.
4. Your teacher will approve it and your counselor will add it in.
5. If it does not get approved, add another Elective into your schedule.

*Good attendance required

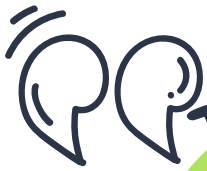

DANCE CO & PRE-DANCE CO

Since auditions for Dance will be held after registration, you will not be able to register for Dance classes during Arena Scheduling. We want to ensure you can still get the classes you want, without changing your entire schedule around. Once we get the list of students from the teacher to add to the assigned Dance class, we will make the change.

Dance Co will be taught 4th period. If you think it's likely that you'll make the roster, we recommend putting your PE and an elective class in 4th period when you register. **Pre-Dance Co** will be taught 7th period and the same logic applies. In either case, it may be best to register for a morning POD rotation.
