

Class availability is on a first-come, first-served basis. Use this worksheet to plan out at least two schedules before online registration. Plan A can be your first choice for a schedule, with plan B as a backup in case your choices are not available. Be flexible. You may have to move things around once you get on the computer.

Be sure to register for your 9th grade required courses which include: POD (Science, Language Arts, Social Studies), Math, and PST.
